Dear Parents, Teachers, Students and Community,

Welcome to Week Ten.

We are rapidly coming to the end of another term. There have been lots of learning opportunities, excursions, incursions, sporting events, Lapathon, NAPLAN and much more. Thank you to all students, parents, P&C, School Board, volunteers and our wonderful staff for another exciting and productive term. I hope everyone enjoys the two week holiday break. We commence for Term Three on Monday 22nd July at the normal time for another terrific term of exciting activities. Happy holiday everyone!

ASSEMBLY
This Friday 5th July will be the Year Five Assembly.

REPORTS
Student reports were published on Connect yesterday, Monday 1st July. Parents are able to access the reports at anytime by logging on.

THREE WAY CONFERENCES
Tomorrow, Wednesday 3rd July normal classes are suspended so that teachers can meet with individual students and their parents in 15 minute sessions throughout the day. Thank you to parents for adapting to the new “Schoolinterviews” website to arrange appointments. We had a couple of teething problems, mostly caused by the interpreter button. I hope everyone has been able to make a convenient appointment with the relevant teachers tomorrow. The conferences have proven to be informative and enjoyable for many years. Have a great day!

CHOIR
Mrs Holmes has been busily preparing both the Junior Choir and the Senior Choir for their performances at the WAGSMS Concerts at Burswood in Week 2 next term. We are looking forward to the evening.

ABSENCES
In the last couple of weeks we have been advised by a few parents that their children have been diagnosed with Influenza A or B. There is plenty of information available through the Health Department website, but remember to keep the fluids up. If you suspect your child has the flu it would be wise to see your GP. Apparently parents have been advised to keep their child home for at least 48 hours if diagnosed. When your child/ren are unwell or have appointments etc parents can now let the school know through ‘Connect’, either through the internet or the app.

LOST PROPERTY
With the change in the weather we find that a significant number of students take off their jackets and sometimes leave them behind on the oval or around the school. Hats are also left behind at times. Most parents do put names on their children’s clothing. If you could return any items you find to school we will endeavour to match up the clothing with its correct owner. Thank you.

UNIFORM
A reminder that winter uniform consists of school polo, school jacket, school shorts, skorts or dresses, school track pants, school hat. Navy tights are the only non school items allowed to be worn. No leggings, jazz pants etc are allowed. Long sleeved undershirts are not allowed to be worn. Long socks must be navy blue and below the knee at all times. Hair must be tied back and students with pierced ears must wear small studs or small sleepers. Your assistance with School Dress Code is appreciated.

PARKING AND PICKUP
Thank you to all parents using the new ‘Kiss’n’Drive’ system in Nicholls Crescent. Please continue to use the system correctly.

- Please do not drop-off or pick-up anywhere in the ‘Kiss’n’Drive’ except the
designated point at or in front of the shelter.

Thank you for your cooperation.

ANAPHYLAXIS

Parents, please avoid sending peanuts, peanut paste and all tree nuts to school in lunches, cakes and other food products. For some students with high sensitivities, just being close to such items can invoke an allergic response. If you are in doubt please check with your child’s teacher in the first instance. Thank you all for your cooperation in this important area.

DOGS NOT ALLOWED

This is a reminder about not bringing dogs to school when you bring your children. While dogs must always be on a leash in the community (except at designated places – see Melville website), our school and Department policy is that dogs are not allowed on school premises or grounds at any time. This is due to safety and health risks.

EARLY ARRIVALS

Any students who arrive at school before 8.25am must sit quietly on the benches outside the staff room until it is time to go to class at 8.25am.

** Parents, please ensure **students do not come to school prior to 8am**, unless it is for a scheduled school event.

THE VIRTUE FOR THE PAST MONTH WAS COMMITMENT.

Commitment is caring deeply about something or someone. It is the willingness to give your all to a friendship, a task, or something you believe in. It is the ability to make decisions and follow through on them.

AUSSIE OF THE MONTH AWARD WINNERS WERE:

- Arianne Seling
- Bianca Ng
- Zachary Tran

CONGRATULATIONS

Congratulations to Kiara Smith (Year 4) for the outstanding result of 3rd place in the State Primary Schools Golf Championships. She was up against some formidable competitors who were aged between 10 – 12 years. Kiara, you are amazing!!! Well done.

THANK YOU

A big Thank you to Greg Muir from Ip Tools for their donation of a Scroll Saw to the Oberthur Boys Shed.

The boys in the shed are loving having a new tool in the shed to use. Ray and Helen.

ICT CORNER
INFORMATION AND COMMUNICATION TECHNOLOGY (ICT) PARENT FOCUS

Please ensure your child’s MacBook or iPad is as close to 100% charged as possible at the start of the school day. It is not practical or feasible to charge student devices at school. Thank you for your co-operation.

MacBooks should be shut down before transport to and from school to prevent issues such as overheating or damage to the hard drive, as well as conserving the battery charge.

INFORMATION COMMUNICATION TECHNOLOGY (ICT) PARENT FOCUS

Learn how to clean your Mac notebook computer:
MacBook, MacBook Pro, and MacBook Air. When cleaning the outside of your MacBook, MacBook Pro, or MacBook Air, first shut down your computer and unplug the power adapter. Then use a damp, soft, lint-free cloth to clean the computer's exterior. Avoid getting moisture in any openings. Do not spray liquid directly on the computer. Don't use aerosol sprays, solvents, abrasives, or cleaners containing hydrogen peroxide that might damage the finish.

To clean the screen on your MacBook, MacBook Pro, or MacBook Air, first shut down the computer and unplug the power adapter. Dampen a soft, lint-free cloth with water only, then use it to clean the computer's screen. MacBook Pro models from 2016 and later with Touch Bar and Touch ID: Clean the Touch Bar and Touch ID (power button) on these computers the same way you would clean the display. Shut down your Mac and unplug the power adapter. Dampen a soft, lint-free cloth with water only, then use it to clean the Touch Bar and Touch ID. MacBook (13-inch, Late 2009) and MacBook (13-inch, Mid 2010): The bottom case of these computers uses a soft nonslip material. Use a 3M Gray Microfiber or soft dye-free, lint-free cloth to clean the bottom case.
