

Ordering Oberthur School uniforms Via Qkr!

Uniforms can be purchased through our online store <https://qkr-store.qkrschool.com/store/#/home>

If you have any questions, please contact Nikki via email on oberthuruniforms@gmail.com

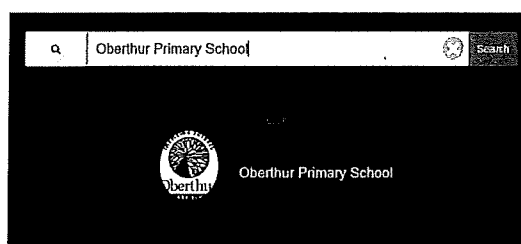

General guide to ordering uniforms

You will require to have an online account with Qkr!

You can create an account by using the following link:

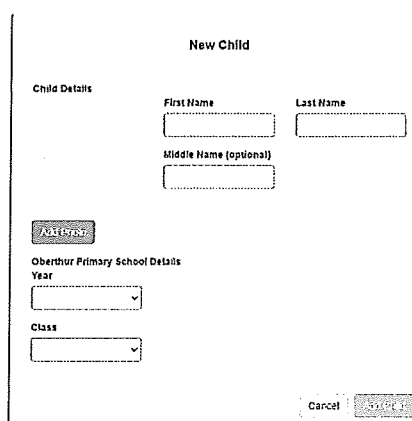

<https://qkr-store.qkrschool.com/store/#/home>

Once an account has been created, including credit/debit card details, you will need to select Oberthur Primary School as the institution name.

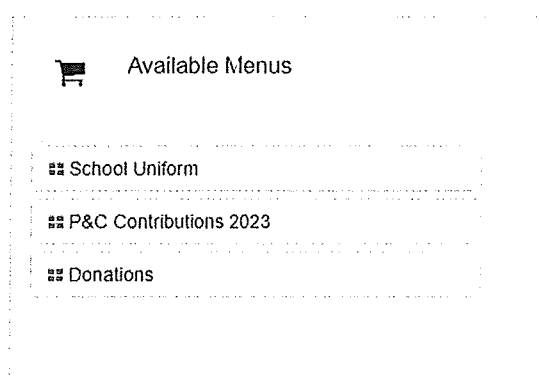

You will then be required to create a profile to order uniform. To create a profile, click “Add a Child” button.

Please ensure your child’s name and class area are correct to assist with orders being delivered to the classroom.

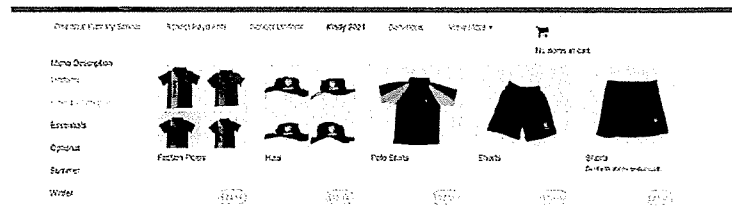

The form is titled "New Child" and is divided into two main sections. The first section, "Child Details", contains three input fields: "First Name", "Last Name", and "Middle Name (optional)". Below these fields is a button labeled "Add Child". The second section, "Oberthur Primary School Details", contains two dropdown menus: "Year" and "Class". At the bottom right of the form are two buttons: "Cancel" and "Save".

Once the profile has been created, you will be able to access the uniform menu.

The form is titled "Available Menus" and features a shopping cart icon. Below the title, there are three menu items, each with a small icon and a label: "School Uniform", "P&C Contributions 2023", and "Donations".

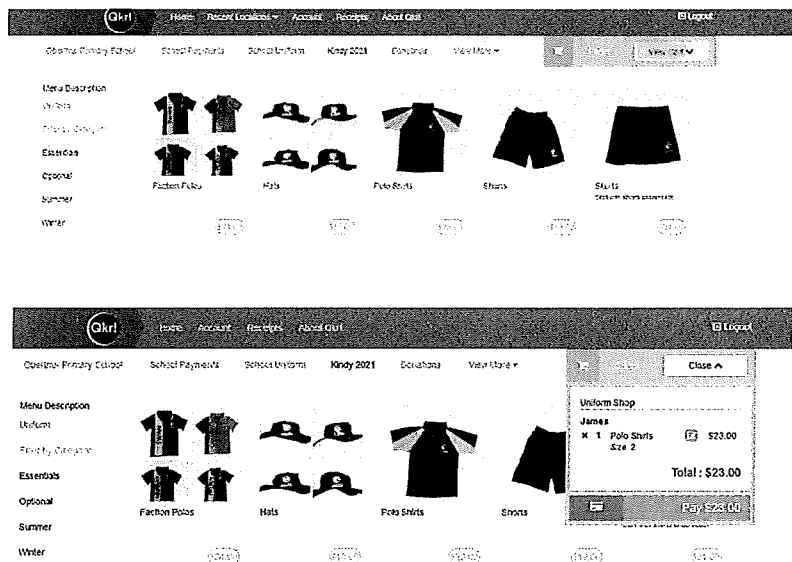

And select the items of uniform required:

Select your profile and the size/quantity required.

Once you have selected the items required, you can view your cart to process payment:

You will then receive an email from noreply@gkrschool.com saying your order has been received.

The uniform orders will be processed and delivered to your child's classroom.

Orders are delivered on a weekly basis.

General guide to uniform requirements

- The basic uniform consists of Oberthur Primary School branded polo shirts, shorts and a hat.
- Most parents will purchase at least two Oberthur Primary School branded polo shirts and shorts for their child. You may wish to purchase more or less pieces.
- The shorts and polo shirts are suitable for boys and girls and are the most suitable uniform pieces for sport and play.
- Faction polos are worn on faction carnival days and can also be worn on a Wednesday. They are not required for Kindy.
- You need to know your child's faction to order a hat or faction polo. This information will be provided during your child's enrolment process.
- Optional items include a school bag, a dress and skorts (skirt with shorts underneath). The dress and skorts may be worn instead of the shorts but may not be suitable for sport or play.
- Ideally you will check the uniform sizes before purchasing. There are opportunities for viewing the uniform during open days and during regular uniform shop opening hours.
- The winter uniform includes a jacket and optional long pants. The winter uniform is restocked in Term 2 & 3 and is not necessarily available for purchase all year.

My notes:

Uniform	Size 2	Size 4	Other
Shorts	record quantity required		
Polo			
Hat			1 x small/med
Optional:			
Skorts (skirt with shorts underneath)			
Dress
