

Oberthur Primary School

Student Code of Conduct - Internet and Email Use Pre-Primary - Year 3 Students

Parent/Guardian Agreement

I agree to allow my child to access the Internet and email at Oberthur Primary School. I understand that websites will have been previously viewed by the classroom teacher.

I understand that a member of the school staff may view incoming and outgoing email correspondence before they are mailed or received by students.

I understand that adequate supervision will always be available when my child is using the Internet and email.

I have explained to my child that he/she should click on the HOME button and inform the teacher if he/she encounters any material on the web that makes him/her feel uncomfortable at any time.

I understand my child's picture will not be sent over the Internet without first receiving permission from parents/guardians and then having teacher approval.

My child is aware that he/she should never give out personal information, including his/her phone number, last name or home address when using the Internet.

My child is aware that he/she should not use their device before or after school when still on the school grounds – their device will stay in their bag until they are in the classroom or at home

I agree to using the Internet and email at school for educational purposes in accordance with the Agreement above.

I understand the school will provide adequate supervision and that steps have been taken to minimise risk of exposure to unsuitable material.
